

## **CAMPER WELCOME INFORMATION**

Welcome to Green Meadow Camping Area! We are glad to see that you safely arrived. We have updated our campground and our rules so that we all have a way to make the best of the Campground during the COVID-19 Outbreak. You will see that we are asking all Campers to do your part, so we all stay well.

### **Resources for You**

#### **Grocery Stores –**

Hannaford Supermarket (7.3 miles away) 32 Mountain Valley Blvd. North Conway, NH

Grant's Shop and Save (0.3 miles away) 9 US-302 Glen, NH

#### **Medical –**

Memorial Hospital (4.2 miles away) 3073 White Mountain Hwy, North Conway, NH

**Wood and Ice-** Available at the front office, call ahead with curbside pick up only. If no one is in the office please call 603-383-6801.

**What to Expect at the Campground –** With the current outbreak our goal is to keep everyone safe and healthy while enjoying our beautiful facility. In order for us to do this we need to adjust things. We have closed all recreational activities, including but not limited to the pool, playground, volleyball and basketball courts and unfortunately no tractor rides. We are asking everyone to maintain social distancing and remain on their sites as much as possible. In addition the bathrooms and shower house, including washer and dryer will be closed. We will still be providing fire wood and ice at a charge and will be available for pick up at the front office for curbside pickup. Finally we are only opening to New Hampshire residents per order of the New Hampshire Governor and in order to maintain safety we are only accepting self contained until further notice.

**How We communicate –** share all the ways they can communicate with you

- Office Phone 603-383-6801 open 8am to 8pm
- Website [www.greenmeadowcampingarea.com](http://www.greenmeadowcampingarea.com)

**We're Hosting Contests and "Events" –** This year we are still looking into doing bands while practicing social distancing. We are also introducing contests this year. We will announce contests.

**We hope you enjoy your stay and look forward to seeing you (from 6 feet away).**

If anyone has felt sick, had a fever or flu like symptoms. Please consult a doctor and wait at least two weeks before camping with us.

Please social distance at a minimum of 6 feet apart. Limit the people on your site to those that are registered to that site. No large groups or group gatherings allowed at this time. All recreational areas are closed for your safety.

Please wash your hands often and thoroughly.

Please be safe and respect all rules and CDC guidelines during these troubling times.  
Thanks!!
